Chapter 1

Nonpoint Source Pollution

2

Regulatory and Non-Regulatory Tools to Address Nonpoint Source Pollution

3

Developing a Strategy to Address Nonpoint Source Pollution

4

Urban Stormwater Runoff

5

Onsite Wastewater

6

Erosion and Sediment Control

7

Lake and Pond Management

8

Stream Corridor and Shoreline Restoration

9

Forestry

10

Agriculture

11

Boating and Marinas

12

Resource Extraction

13

Roads, Highways and Bridges

Glossary of Terms

BMP FACT SHEETS:

This manual includes a wide variety of detailed fact sheets on Best Management Practices (BMPs) for NPS Pollution Control. Click on the links below to go directly to any of these fact sheets or the chapters they appear in.

CHAPTER 1: NPS POLLUTION

CHAPTER 2: REGULATORY AND NON-REGULATORY TOOLS TO ADDRESS NPS POLLUTION

[Municipal Government Conservation Commission Planning Board / Town Planner Zoning Board of Appeals Board of Health Developing a Local Bylaw /Regulation Zoning and Site Review Tools Wetlands Protection Ordinances/Bylaws Open Meeting Law Requirements Massachusetts NPS Programs and Regulations Wetlands Protection Act and Regulations Rivers Protection Act NPDES Stormwater Regulations, Phase 1](#)

[NPDES Stormwater Regulations, Phase 2 Massachusetts Stormwater Policy Community Preservation Act Areas of Critical Environmental Concern Chapter 91 Waterways Regulations Wellhead Protection Program Massachusetts Nonpoint Source Management Plan Source Water Assessment Program MA Coastal Zone Management Program Coastal and Inland Wetlands Restriction Acts MA Environmental Justice Program Overview of Key Federal Regulations](#)

CHAPTER 3: DEVELOPING A STRATEGY TO ADDRESS NPS POLLUTION

CHAPTER 4: URBAN STORMWATER RUNOFF

[Street Sweeping Catch Basin Maintenance Road Salt Management Spill Prevention Plans Integrated Pest Management Pollution Prevention at DPW Facilities Landscaping/Lawn Care Education Hazardous Materials Management Pet Waste Management Stormdrain Stenciling Car Washing Low Impact Site Design Bioretention Areas](#)

[Roadway and Parking Lot Design Permeable Paving Cisterns and Rain Barrels Green Roofs Zoning and Land Use Controls Subsurface Recharge Systems Filter Systems Vegetated Swales Infiltration-Recharge Basins Extended Detention Basins Deep Sump Catch Basins Constructed Wetlands](#)

CHAPTER 5: ONSITE WASTEWATER

Underlined bold blue indicates an active web link.
Bold purple indicates that a term is defined in the Glossary of Terms.

CHAPTER 6: EROSION AND SEDIMENT CONTROL

[Brush Barriers](#)
[Buffer Zones](#)
[Channel Grade Stabilization](#)
[Check Dams](#)
[Construction Entrance Stabilization](#)
[Construction Road Stabilization](#)
[Dewatering](#)
[Diversion \(Permanent\)](#)
[Diversion \(Temporary\)](#)
[Dust Control](#)
[Dry Detention Recharge Basin](#)
[Extended Detention Basin](#)
[Filter Berm](#)
[Filter Strip \(Vegetated\)](#)
[Flume \(Paved\)](#)
[Gabions](#)
[Geotextiles/Turf Reinforced Mats \(TRMs\)](#)
[Inlet Protection](#)
[Land Grading & Stabilization](#)
[Level Spreader](#)
[Mulch and Netting](#)
[Outlet Protection & Stabilization](#)
[Preserving Natural Vegetation](#)
[Retaining Walls](#)

[Riprap](#)
[Rock Dam](#)
[Sand Fence](#)
[Sand Dune/ Sandblow Stabilization](#)
[Sediment Basin](#)
[Sediment Fence](#)
[Sediment Forebay](#)
[Seeding, Permanent](#)
[Seeding, Temporary](#)
[Silt Curtain](#)
[Slope Drain](#)
[Sodding](#)
[Straw or Hay Bale Barrier](#)
[Stream Crossing](#)
[Streambank Protection & Stabilization](#)
[Subsurface Drain](#)
[Sump Pit](#)
[Surface Roughening](#)
[Terrace](#)
[Topsoiling](#)
[Tree & Shrub Planting](#)
[Vegetated Swale](#)
[Water Bar](#)
[Waterway, Grassed](#)
[Waterway, Lined](#)

CHAPTER 7: LAKE AND POND MANAGEMENT

[Dredging](#)
[Lake Level Drawdown](#)
[Artificial Circulation and Aeration](#)
[Harvesting](#)
[Biological Control](#)

[Benthic Barriers](#)
[Dilution and Flushing](#)
[Herbicides and Algaecides](#)
[Phosphorus Precipitation and Inactivation](#)

CHAPTER 8: STREAM CORRIDOR AND SHORELINE RESTORATION

[Boulder Clusters and Rock Riffles](#)
[Wing Deflectors](#)
[Woody Debris Management](#)
[Grade Control Measures](#)
[Stream Daylighting](#)
[Vegetated Geogrids](#)
[Live Fascines](#)
[Live Stakes/Pole Plantings](#)
[Log, Rootwad and Boulder Revetments](#)

[Tree Revetments](#)
[Gabions](#)
[Bank Shaping and Vegetating](#)
[Brush Mattresses](#)
[Stone Toe Protection](#)
[Coconut Fiber Rolls](#)
[Riparian Forest Buffers](#)
[Vanes - Log, Rock, and J-Rock](#)

Underlined bold blue indicates an active web link.
Bold purple indicates that a term is defined in the Glossary of Terms.

CHAPTER 9: FORESTRY

[Forest Cutting Plan](#)
[Skid Trails, Logging Roads & Landings](#)
[Stream Crossings](#)
[Wetlands and Vernal Pools](#)

[Seeding and Revegetation](#)
[Forest Filter Strips and Buffer Strips](#)
[Forest Road Management](#)

CHAPTER 10: AGRICULTURE

[Conservation Tillage](#)
[Nutrient Management](#)

[Pest Management](#)
[Conservation Buffers](#)

CHAPTER 11: BOATING AND MARINAS

[Bilge Water Handling](#)
[Boat Fueling](#)
[Boat Engine Maintenance](#)
[Fish Waste Management](#)
[Hull Cleaning and Maintenance](#)
[Marina Flushing](#)

[Marina Solid Waste Management](#)
[Marine Habitat Protection](#)
[No Discharge Zones](#)
[Proper Graywater Handling](#)
[Sewage Pumpout Facilities](#)
[Shoreside Facilities and Pet Management](#)

CHAPTER 12: RESOURCE EXTRACTION

[Sand and Gravel Operation Guidelines](#)
[Land Reclamation](#)

[Water/Sediment Control Basins](#)

CHAPTER 13: ROADS, HIGHWAYS AND BRIDGES

[Street Sweeping](#)
[Conventional Channel](#)
[Water Quality Swales](#)
[Deep Sump Catch Basin](#)
[Outlet Sediment Trap](#)
[Filter Strip \(Vegetated\)](#)
[Sediment Forebay](#)
[Sediment Basin](#)
[Constructed Wetlands](#)
[Recharge Basin](#)

[Leaching Catch Basin](#)
[Subsurface Recharge Systems](#)
[Galleys](#)
[Filter Systems](#)
[Water Quality Inlet](#)
[Flow Splitter](#)
[Impoundment Structures](#)
[Check Dams](#)
[Road Salt Management](#)
[Unpaved Roads](#)

Underlined bold blue
indicates an active web link.
Bold purple indicates that
a term is defined in the
Glossary of Terms.
